## CHLOE'S CUM CLEANSER

Kneeling on the shower floor, Chloe sucked my cock with her usual enthusiasm, slurping and moaning.

I was almost there...

Just a few seconds more . . .

Gasping for breath, hot water sluicing over our bodies, I withdrew from my wife's ravenous mouth and let go. Two creamy ropes spattered the bridge of her aquiline nose. She stayed on the shower floor waiting for more, but I was spent, my reservoir dry.

Sighing with frustration, she opened the stall door and padded to the sink; there she stood peering at her reflection in the mirror.

But she didn't wipe away my seed.

Not Chloe, not by a long shot.

She used a damp washcloth to massage her skin, using my load in lieu of an expensive facial scrub. She worked the cloth assiduously; determined, I knew, to reap the restorative benefits of what little ball sauce I had managed to contribute.

This routine had become a ritual; sometimes we did it in the morning before work, other times we waited until just before bedtime. Chloe didn't care just so long as she received her daily dosage of cum in the kisser.

The whole thing had started two weeks prior; in her dentist's waiting room, strangely enough, where Chloe had read the article in a popular women's magazine. The piece had touted the incredible youth-renewing benefits of semen, even going so far as to claim its superiority over many of the top over-the-counter products. Sold on the idea, she had told me all about it that night over dinner.

Of course I was elated! What husband wouldn't want to jizz in his wife's face ev-

ery damned day! Chloe could maintain her youthful glow while I busted a nut; ours was the ultimate win/win situation.

But now, stepping out of the shower and reaching for a towel, I saw the familiar concern radiating from her eyes. "Sorry, babe," I told her. "It was a long day at the office."

"I understand," she replied lamely.

"I do the best I can, Chloe. I'm not so young anymore, you know. I need time to recover. Sometimes—well, sometimes a day just isn't long enough."

Tonight's performance had become all too frequent; sad to say, but my loads were often less than large. Chloe was worried, I knew. She needed more cum for her complexion, more than I was able to deliver on a daily basis.

She turned away from the mirror and faced me. "Maybe," she started, "we could bring . . ."

"What, babe?"

"No," she muttered, "you won't like it..."

"What are you talking about, Chloe?"

"You'll get mad."

"I won't get mad."

She searched my face. "Promise?"

"I promise."

It took more poking and prodding on my part but she finally spilled it. "The solution is simple, honey. All we need," she went on, "is a second cock."

The prospect of a regular threesome didn't bother me in the least. Hell, I was all for it. Anything, I reasoned, to maintain Chloe's

**40+ #29**

**40+:** Wow! You look great Cory. Have a seat...

**Cory:** Why, thank you. I got all dolled up just for you.

**40+:** Awww, you didn't have to do that. I'd ask you the same questions, anyway.

**Cory:** Oh yeah, well I'm ready, Go for it.

**40+:** I've been a fan of yours from the first time I saw a video of yours, wow, almost twenty years ago!

youth and keep her happy.

I had recruited a young coworker. Abe in Accounting was in his early twenties; he had thought it a wonderful idea, especially after I had produced my phone and showed him some of my wife's naughtier pics.

Now we were in the bedroom having the time of our lives. Chloe lay on the bed, her long legs wrapped around my waist as I thrust repeatedly. Abe lay beside us fucking my wife's face with repeated jabs.

This went on for some time before Abe and I hopped off the bed. Chloe joined us, squatting on the hardwood floor. She sucked Abe's dick while stroking mine, then gobbled my cock while tugging Abe's.

Watching my wife suck and jerk another man's cock was the pinnacle of hot. Chloe could be a full bore slut when she wanted to be, the kind of girl you definitely didn't take home to meet your mother.

The inevitable explosion -- Abe's and mine -- happened soon enough. We blasted Chloe in the kisser, emptying our balls all over her face, creaming her from hairline to chin. Thankfully I had managed one of my larger wads. No doubt this was due to Abe, whose presence had prompted me to up my game to a higher level.

Most importantly Chloe seemed delighted with the results. Abe and I joined her in the bathroom as she dampened a washcloth and went through her scrubbing routine. This time she had plenty of cum to work with. More than enough, I thought, a regular surplus of splooge.

"Man," Abe said, shaking his head, "who knew jizz was the fountain of youth..."

"It really works," I chimed in. "And it's a hell of a lot cheaper than plastic surgery."

Chloe laughed and scrubbed and scrubbed some more, looking just like an actress in a cleanser commercial. Abe agreed to drop by at least twice a week to contribute to the cause.

This was months ago and the three of us are still going strong. Chloe looks younger and younger with each passing day, so much so that strangers often mistake her for my daughter!

### SECRET MENU SLUTS

"Come on, Heather." Kathy regarded me with skepticism. "A secret menu? You're pulling my leg, right?"

"Not at all," I told her.

"I've never heard of such a thing."

"Well," I replied, "now you have."

I whipped my husband's German sports car into the fast food drive-thru. The popular franchise had recently opened a restaurant in the upscale neighborhood Kathy and I were fortunate enough to call home. Our husbands—Kathy's Craig and my Patrick—were out of town on separate business trips. This happened more often than one would think.

Tonight we had imbibed more than usual. Emboldened by the booze, I had turned our conversation to the topic of sex. A loose lipped Kathy had confessed her dissatisfaction with Craig; hers was a typical tale—Craig was usually too tired, and his performances left much to be desired.

I shared a similar gripe; namely the size of Patrick's penis. Sadly my husband's pecker was of the micro variety. Things were fine, at first, his income outweighing all. But after a year of marriage I had grown increasingly frustrated, so much so that I routinely sought sexual satisfaction elsewhere.

Aware of my situation, Melinda Gant, president of the garden club, had told me about the new restaurant's secret menu. At first I didn't believe her farfetched story. After voicing my skepticism, Melinda had given me the name of

**Cory:** Hmmm. Has it been that long?

**40+:** Apparently so. But I digress. What does it feel like to be one of the top twenty performers in the business.

**Cory:** Yeah, hard to believe isn't it? I feel so lucky, and have no one buy my fans to thank. I love making videos for them and always try to give them my best.

**40+:** And your best always seems to include a lot of butt fucking?

**Cory:** Yes, again. Why not? I love butt sex and I think my partners, and viewers like it too.

**40+:** Okay, Let me ask, how long have you been doing it professionally?

**Cory:** I don't actu-

the hush-hush menu item—King Claude. “Order it,” she had told me. “Trust me, Heather. You won’t be sorry.”

Now, waiting in the drive-thru, I looked at Kathy and said, “I’ll order for both of us.”

“I can’t believe you eat this crap.” Kathy shook her head with disbelief. “Your figure is the envy of the entire neighborhood. I’d kill to have a body like yours.”

“We’re not here for the food, Kathy.”

She was confused. “I don’t understand.”

“You will,” I said with a smile.

“King Claude for two,” I mouthed into the speaker.

Breaking from the line, I drove around to the dumpster behind the restaurant. The oversized bin effectively concealed us from potential onlookers. I killed the engine and waited for our “order” to arrive.

“What in the hell are we doing?” Kathy inquired with genuine concern. It took a good twenty minutes—no doubt Claude had been slaving over the flattop grill—before he could join us.

“Back for another helping, I see,” Claude greeted me with a wide smile. “Hopelessly addicted,” I told him. “Claude, meet Kathy. Kathy, meet Claude.”

He got right down to business. “You know the drill, Ms. Heather. I’m on my fifteen minute break; no time to beat around the bush.”

Kathy still didn’t get it. It was time to show my friend the ins and outs of the King Claude experience.

No sooner had I climbed out from behind the wheel than Claude had dropped his work pants and boxers. The size of his big cock never failed to make me wet. I sat on the hood; leaning back on my elbows, my tennis skirt riding high on my hips, I spread my legs for a thorough pounding.

But Kathy had other ideas. She dashed from the passenger seat and dropped before Claude, her greedy lips devouring his huge member. The spectacle of Kathy kneeling there on the pavement, her head bobbing to and fro as she sucked Claude’s cock, made me even wetter.

Kathy serviced Claude with her eager mouth; she fondled his balls with one hand, using the other to unbutton her blouse and open her front

closure bra. The sight of her perfectly proportioned jugs had an instant effect on Claude; no longer content to play the passive role, he grabbed a handful of Kathy’s auburn hair and proceeded to fuck her face.

Turned on beyond all measure, my fingers strumming my juicy cunt lips, I could wait no longer. I wanted Claude’s king-sized cock inside me, and I wanted it now.

Fortunately he was ready to give it to me. Pulling out of Kathy’s mouth, he moved to the front of the car and positioned himself between my legs. Having pushed my panties aside, he penetrated me with a single, none too gentle plunge. I gasped from the sheer size. He employed his powerful hips, pounding me relentlessly until I came with an explosive release.

But he wasn’t done yet; extracting his shiny rod from my cooze, he shoved it in Kathy’s face. My friend couldn’t get enough of that cock. She gobbled him sloppily, moaning around his shaft as his orgasm neared.

I thought he was going to come in her mouth, perhaps all over her face, but no, Claude was a sucker for those big sculpted tits of hers.

He coated them good.

“Always a pleasure.” Claude zipped his pants. “Please come again, ladies. Your patronage is much appreciated.”

“I don’t know about you,” Kathy said, buckling her seatbelt, “but I’m starving.”

Fast food wasn’t our thing, but we made an exception, hitting the drive-thru for the second time that night. Our cheeseburgers were delicious, confirming my suspicion that Claude was a man of many talents.

*Heather P., in the drive-thru, again!*

ally remember my first anal scene, but I do remember practicing for it with at home with progressively larger dildos.

**40+:** How was that?

**Cory:** It was actually kinda fun. And then when I had to do the scene, I was nervous but I hung in there, and after a few more times I liked it. Ever since I’ve included it in almost all my films and I think that’s why I have so many fans. (chuckles)

# Fiona

Fiona's got quite the itch, and no one to scratch it for her. Imagining someone slipping their hands up her bikini is just too much to ignore. She slides out of her swim suit and onto her dildo. It's wide rims stretching the walls of her tight pussy and making her back arch with pleasure. A soft moan sneaking out from between her lips.

## Older/Younger Sex

*Any guy who passes up the joy of banging an older woman getting it on with a younger dude—is missing out on some steamy sex*

*By dessert I was totally taken with her, feeling a wealth of emotion toward this beautiful lady who had seen so much and come through it so well.*

**T**he legend of the older lover is one that has grown more romantically intriguing over the years, probably becoming part of popular culture when Hollywood's aging matinee idols were paired with much younger costars. Even that silver-screen glamour however, only partially disguised a situation that many people felt was slightly scandalous.

Even more scandalous was the reaction to older women making love to iconic stars the likes of Warren Beatty and Paul Newman. Producers attempted to make it "respectable" by portraying the women as desperate sex-starved creatures and the young men as gold-digging gigolos. Even though the subject of older/younger lovers has been grist for the gossip mags, it has always been an existing—and stimulating—reality. After all, the phrase "May-December marriage" wasn't dreamed up yesterday.

And May-December fucking is even more popular. Back in the day, French fathers made it a point to take their adolescent sons to a "professional" for the dual purpose of losing their virginity and having them learn the rudiments of sex from a woman of experience.

The following are the experiences of people who've drunk heartily at the fountain of not-so-young sexuality, and what they've learned from it just might surprise you. Consider what happened to Brian:

"When I got out of high school my parents didn't have enough money to send me

to college, so I got a job as a sales clerk at a local department store. The regimentation and excitement of the job created a challenge that I was looking forward to, not to mention making new friends.

"The people I worked with were very understanding and kind, particularly the lady (I'll call her Joan) who was the floor manager, a divorcee in her early forties. To me she was beautiful and glamorous in a way that the girls I'd been dating were not—and probably never would be. We became friends quite quickly, and finally one day I asked if she'd have lunch with me. She agreed, but only on the condition that we ate away from the store so we wouldn't be likely to run into other people we worked with. After all, I was over 20 years younger than she was and it could prove a little embarrassing for her.

"Anyway, we had lunch and had a great time! I was very impressed by her sense of humor, which I'd only guessed at before. But on the way out we ran into several of our coworkers, so our next date was for dinner at a little French restaurant near where she lived.

"I remember I was a little bit nervous (that's an understatement) the night our dinner date rolled around, as I went to her apartment to pick her up. She looked beautifully chic; much more the sophisticate than the department-store executive. We walked to the restaurant and had a delicious dinner, during which we told each other about our lives. Hers was much more interesting than

mine and I listened in rapt attention as she told me about her previous marriages (two) and the other cities she'd lived in (three). By dessert I was totally taken with her, feeling a wealth of emotion toward this beautiful lady who had seen so much and come through it so well.

"I also couldn't help but notice the low neckline of the one-piece dress that clung to her provocative figure. And she could not help but notice that I was noticing, so when she asked me in for a drink as I was walking her home, I immediately said yes.

"I guess our first real contact came when I politely kissed her goodnight—a kiss that ended up saying something quite different; graduating as it did from politeness to sexual intensity in a matter of seconds. Joan's mouth was warm and willing and her slender arms surprisingly strong as she wrapped herself against me. I felt my body responding instantly to her eagerness. I knew we weren't playing any coy head games like most of the girls I dated indulged in. This was a woman who knew what she wanted.

"Before I could think about my good luck, we were back inside her apartment, her hand in mine as she led me to her bedroom. Her maturity had given her enough experience to realize that it was okay with me. And even though I was still in a slight daze, I followed her into the semi-dark room that was dominated by a very big bed.

"We sat on the edge of the bed and started kissing again, only now our hands got into the action too, roving over each other in sensual exploration. Her breasts were full and firm beneath the slinky material that covered them, and I heard her moan softly as my hands cupped and massaged them. At the same time her hand was on my dick, moving over it as it jumped and surged beneath my pants.

"For once I had the indulgent yet satisfying sensation that instigating sex wouldn't have to be my total responsibility, as Joan's hands continued moving, feeling the muscles of my firm abdomen and then resting lightly on my crotch. Her slim fingers inched back up my body, hitting the first shirt button above my pants and flipping it open easily. The other buttons snapped free just as quickly as my lingering inhibitions did. I knew she wanted me and I knew I would have her—every lush, ripe inch.

"Instead of having to talk her out of her clothes I simply helped her, until she was na-

ked. She coiled into a corner of the bed while she blatantly watched me strip down. Usually my sex was hurried in-the-dark, only this time I felt a surge of self-confidence radiate from her to me as I peeled off my clothes before her appreciative eyes. My hard cock jumped out of my briefs and I watched her eyes widen further as she took in its size.

"When I was totally naked I fell into her outstretched arms, eagerly sliding my body down full-length against hers, feeling her boobs crush against my chest as she drew my mouth to hers. My hands immediately recognized the difference between her body and those of the younger girls I usually dated. Joan was special, her skin was softer, and she molded it against mine without hesitation. I thought about the number of guys she must have fucked over the years and I almost envied them the opportunity of sharing this body and bringing it to its current peak of sexuality.

"Her hands were equally soft as they sought out my quivering flesh, kneading and exploring it with avid intensity. Suddenly she slid down and took my cock into her mouth, letting it move easily through her lips and into her throat.

It was like sliding into velvet. Her mouth moved expertly over me as her hands wandered over my chest and stomach. I could tell she was enjoying herself as much as I was. And I was enjoying myself a lot.

"With my eyes closed I spread my legs open so she could maneuver herself better, sinking into the pillows as I felt my blood pumping solidly through my throbbing cock. But I should have known

that a woman like her had a lot more things on her mind than just giving a dude a blow-job. Seeming to sense my arousal, she let my dick slide out of her mouth and brought her body up, kissing me again as she took my dick and rubbed it slowly against the freshly trimmed lips of her pussy.

“She guided me inside her, and I heard her take a deep breath as the length of my cock entered her and pushed until our bodies were locked together in the ultimate embrace. She showered my face with kisses as she ground her body against mine, moving with it to a steady beat that was bringing both of us closer and closer to orgasm.

“I came first, gushing into her through my pumping cock as I heard her moans heighten into small cries of pleasure. The juices of our bodies blended in a climax that left us shuddering and gasping for breath. My head was buried in her hair and I held her tightly to me as we gradually came down from the heights of our mutual ecstasy.

“We didn’t talk much more that evening; our bodies had done that for us, but I clearly remember leaving after midnight and trying to find a cab while still caught up in the heady sense of fulfillment I’d experienced.

“That night began an affair that lasted over three months. Not long by many standards, but long enough to teach me a lot more about women than I’d known or even guessed at before. No one at the store ever found out about it, despite our constantly friendly smiles; not even when it was over and the possibility of my talking was at its greatest. Before I ever said a word though, I’d remember

those smiles across the showroom floor and the many nights that had followed. We both remembered. At least I know I’ve never forgotten.”

And then there’s the other side of the story. Here’s Susan’s story:

“I’m a married woman in my late 20s with the house, husband and kids that make my life complete. But there was a time in my life when my desires were very different ... I was going to be an actress.

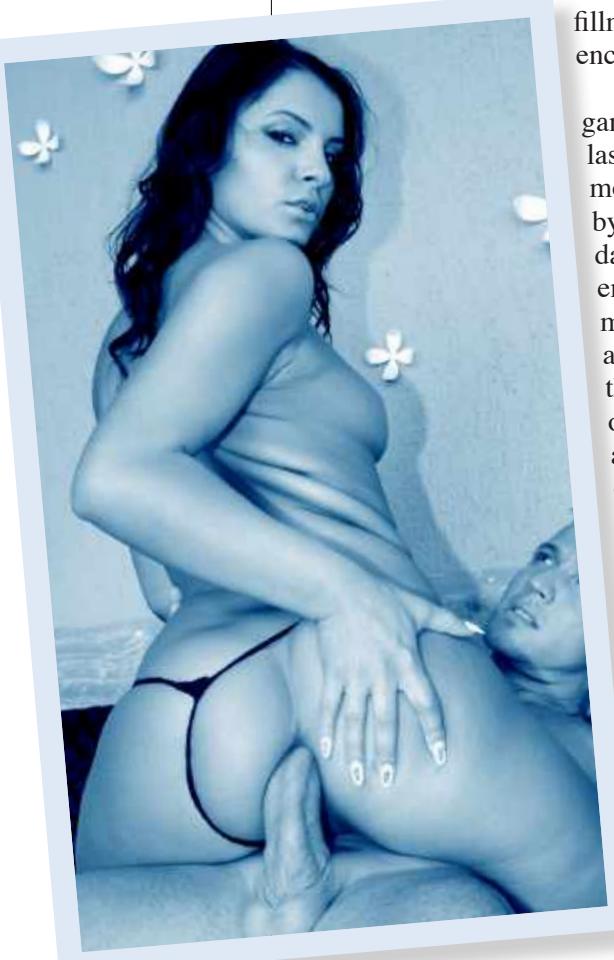

“In the small town where I was then living, there wasn’t a way to gain experience though, with the exception of the local college boys who would bring in high school girls for the female roles in their plays.

“One time they were doing a version of The Little Foxes and I tried out for one of the leads. For this play the school had gotten a director in from New York City, a guy in his late 30s with gray-streaked hair, a trim, athletic body, and a personality that was equally demanding and soothing.

“Naturally I was very nervous at the audition and, opposite one of the clumsy schoolboys; I felt I wasn’t reading well. When Matthew, the director, asked if I’d like him to read with me, I grabbed at the chance. His professional ease plus his personal magnetism made the audition a breeze, and I got the part. I also eventually got Matthew...

“One night after a long rehearsal, he asked me out for coffee. Feeling very sophisticated, I left my high school hang-ups behind me as I slipped into his sports car. We headed out to a drive-in burger joint on the highway, talking animatedly in the spring night air about New York and the theater world he’d been a part of for almost 20 years. He admitted he’d been married once right after college, but that it had only lasted a few years. I told him I wasn’t dating anybody (although I was involved with one of the football players at school). My hair whipped around my face, and I watched his manly profile etched against the intermittent highway lights.

“I felt very attracted to this older man who personified so many of my dreams. And when his hand drifted over to hold mine, I didn’t pull away but let him grip it in his strong fingers. “We got to the drive-in and had our burgers, laced with more stories about real life instead of the milk and sugar of my ordinary existence. When we finished, we started back to town, although I could feel he really didn’t want to. Impulsively I

asked him if he'd seen the view from Lookout Mountain; and as brazen as that question seemed to me, I found myself smiling as I asked it. When he smiled back and said he hadn't, my smile broadened to a full-fledged grin.

"Soon we were climbing the cool dark road with only Matthew's headlights to show us the way. To one side the wall of trees suddenly fell away and the small-town vista was twinkling below. He pulled over and cut the engine, leaving the radio tuned low.

"By then we both knew we'd talked ourselves out, so when he put his arm around my shoulder and pulled me to him, I relaxed into his arms. He kissed me, slowly yet with the same kind of gentle insistence that infused his work. I felt my lips parting eagerly as his tongue slipped between them, just as mine slipped around his tongue and through his lips. It was a long and breathless kiss, intense yet unhurried.

"And when his hand slipped up and over my breasts, I felt my nipples react like they never had before, enlarging under his soft grip. Eddie (my football hero) was always out for a quick touchdown, but Matthew's touch was something totally different; where Eddie grabbed, Matthew caressed, letting his fingers slide over my body in an unhurried pattern of sensuality.

"The fact that Matthew wasn't out to hit and run turned me on incredibly, and I found myself helping him loosen my clothes, just as I soon helped him loosen his. His chest was a thick mat of dark hair which ran down into a dark line to the white elastic of his shorts, which were already bulging with his manhood. Yet instead of lunging at me, he waited to see what I was feeling, letting me take the initiative in starting to make the next move. Instead of the usual fighting a guy off, for the first time I was bringing him to me. The contrast between my past sexual experiences and Matthew was incredible.

"His lovemaking proceeded enthusiastically, yet in the same unhurried pace with our finally naked bodies pressing against each other in the front seat of his car. To me it was like the ultimate fantasy—the car, the night, and the right kind of guy, a true gentle man. He didn't force his way into my body like Eddie was always trying to do. Instead he simply offered himself to me, releasing in my mind a small avalanche of appreciation and kindling desire. I took him in slowly and

felt more filled and, ironically, more at peace with myself sexually than ever before.

"My nipples rubbed against his hairy chest, stimulating both of us with subtle friction. Instead of feeling overpowered by his body as he sank deeper into me, I felt charged with excitement, feeling myself move underneath him and feeling his cock hitting every soft inch of my inner being. I could feel myself moving faster and faster toward a climax, and he must have felt it too, as he urged me on with quiet whispers in my ear. I came and I came again, still feeling his rigid hardness until finally, when I just couldn't stand it any longer he came too, heaving into me with a long and satisfied sigh.

"We continued holding each other for a while until finally it was time to drive back to town. On the way he almost started apologizing for what had happened, but I wouldn't let him. Frankly I felt too good and there was nothing to apologize about anyway.

"Our relationship lasted through the time he was in town, right up to opening night, and I think our love helped me to understand more fully the part I was playing as well as my true self. Our goodbyes were private and I think they affected both of us deeply; at least

I was, because I knew I had been loved in a way that was new and fresh and self-renewing. And I also must admit that after he'd gone and Eddie and I were back on a steady basis, there were many times when I'd close my eyes and think of Matthew..."

So you see, the myth of the older lover isn't really one at all. And its reality has brought out the best in some of those who risked giving it a chance to happen.

*Yet instead of lunging at me, he waited to see what I was feeling, letting me take the initiative in starting to make the next move. Instead of the usual fighting a guy off, for the first time I was bringing him to me.*

Sandra needs a good fuck, and no one's around to hear her scream. Her hands running up and down her sensitive skin. Playing with her tingling little nipples, she moans into her pillow happily. Then she takes her dildo in hand and sits on it and fucks it till she's out of breath.

# THE HUNK AND THE CUCK

*I'm not going to allow you to make me miss out on jumping his cock. Can't you see it's bulging out of his pocket waiting for me to suck on it.*

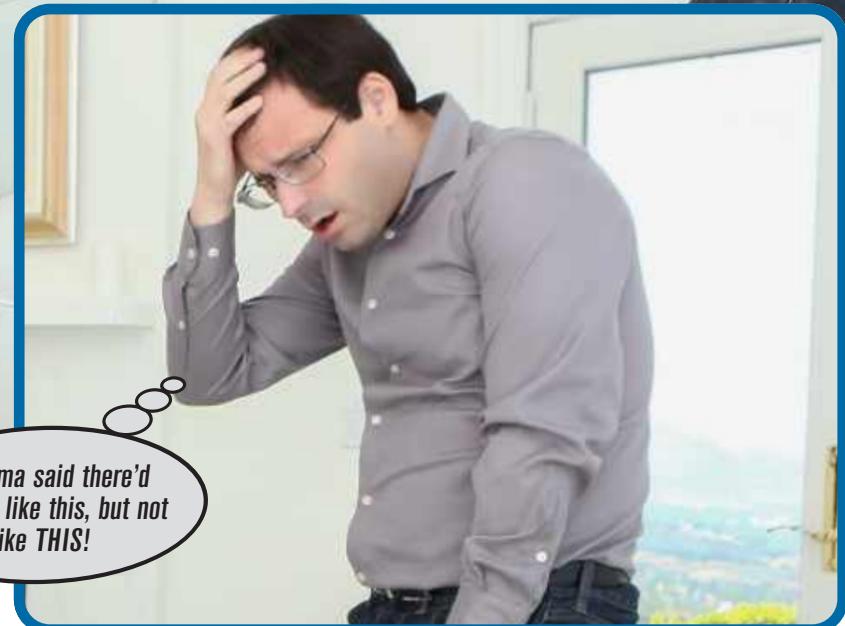

ALEXIS & DANNY  
& MARCELO

Meek Marcelo suspected his wife Alexis, was fooling around behind his back. He couldn't prove it until one day she shows up with Danny, her personal trainer, and starts getting all lovey-dovey right in front of him.

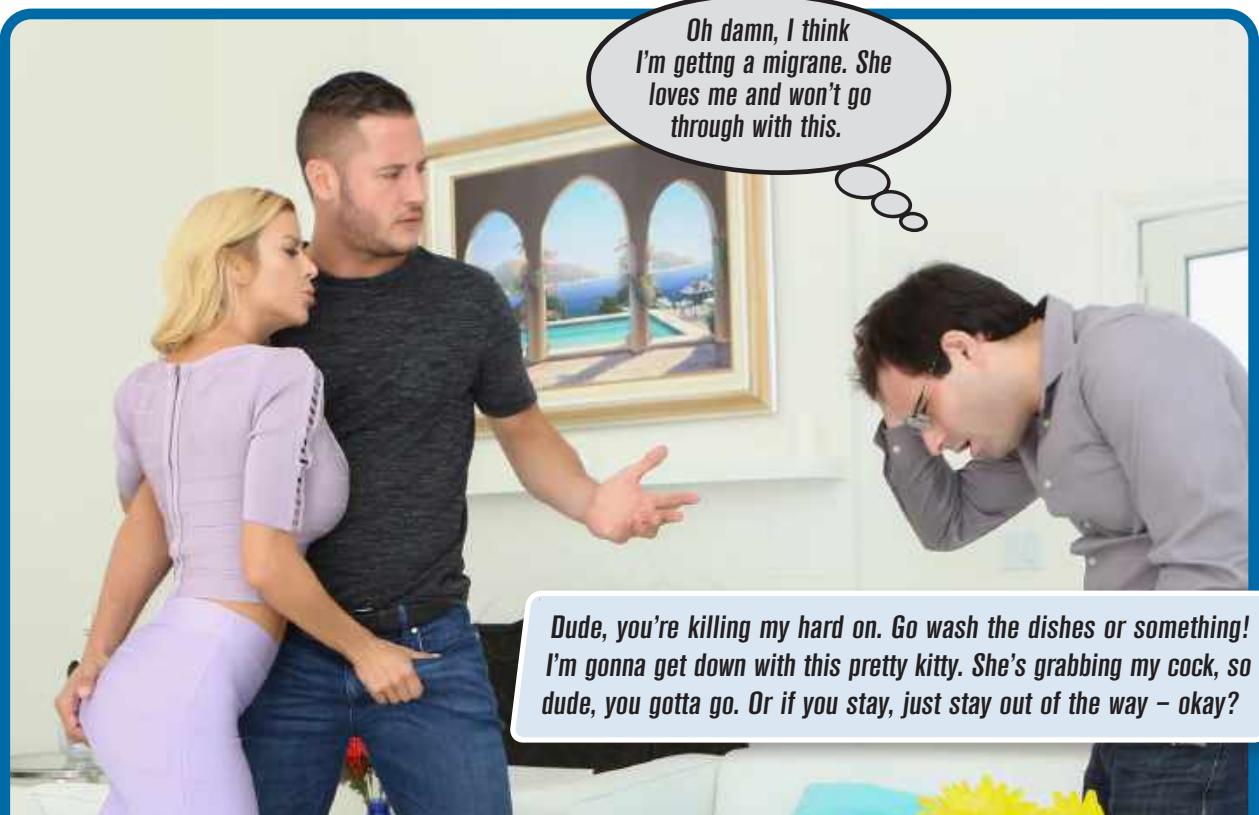

Dude, you know she's been coming to my gym and training with me for a whole month now. You've been wanting to watch me fuck your wife from the start, so don't go changing your mind last minute. I'm here and it's going down today!!

I know but, but now that  
I see her hanging all over  
you, I feel kinda jealous.

Momma said there'd  
be days like this, but not  
like THIS!

Dude, you're killing my hard on. Go wash the dishes or something! I'm gonna get down with this pretty kitty. She's grabbing my cock, so dude, you gotta go. Or if you stay, just stay out of the way – okay?

*Dude, I hope you like what you're seeing because this blow job is just the beginning. I'm gonna finger fuck her pussy, then fuck it like there's no tomorrow. Go on, take a smell. Been a while since you've had a good sniff.*

*I can't believe he just said that!!*

*Oh yeah, go Danny. Lick that clittie.  
Marcelo can't even find it, and believe  
me, he's spent hours looking for it!*

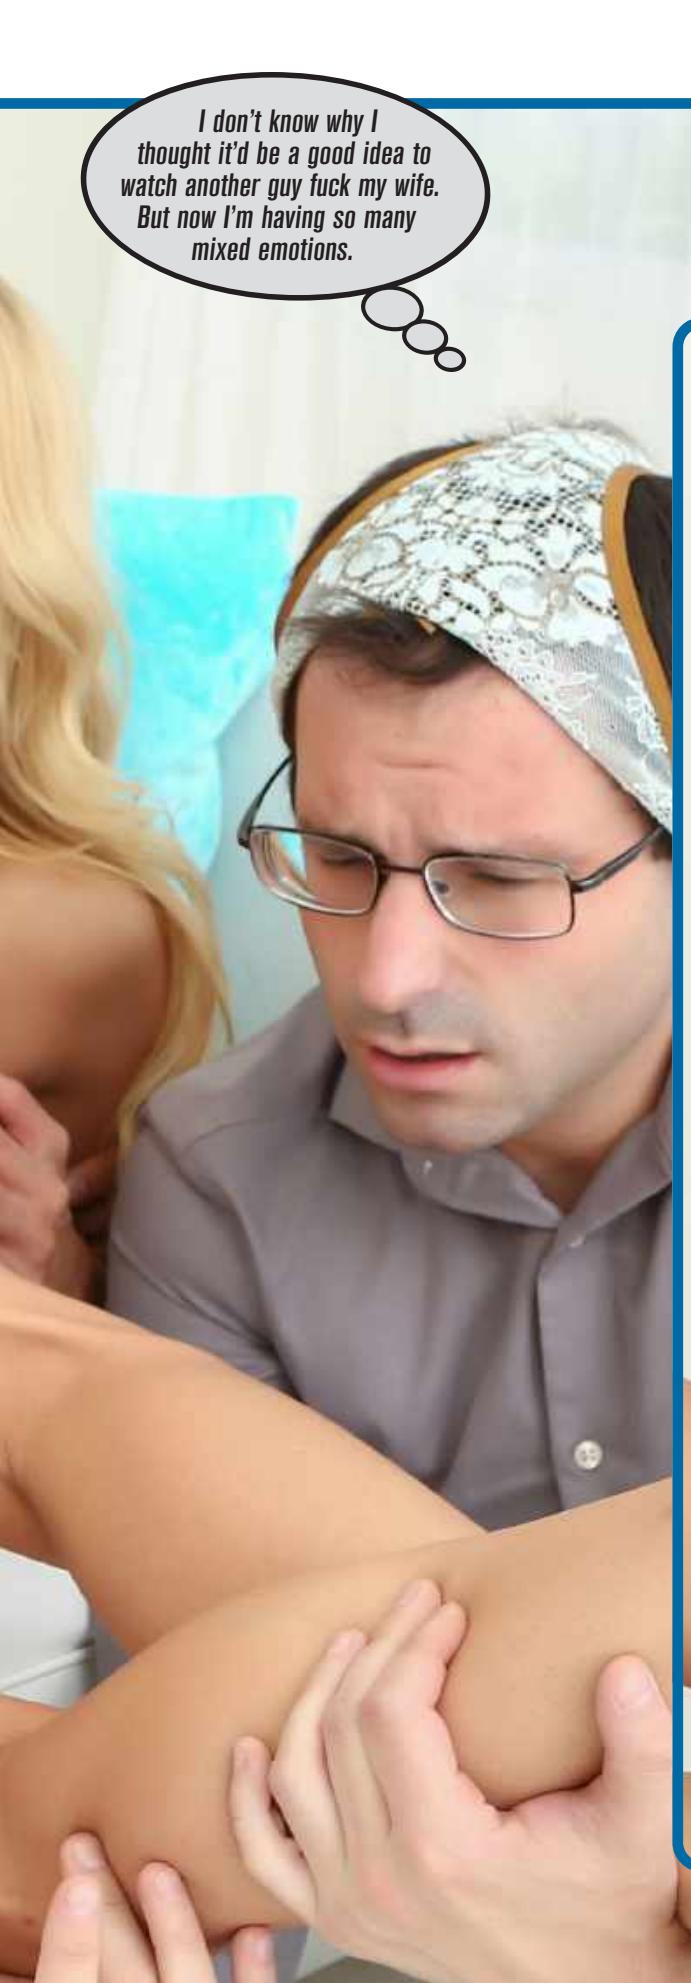

*Ooooooh, so this is what a real man's hard  
cock and big balls feels like – and I like it!*

You like watching him get my pussy nice 'n hot for his huge cock, don't you. Take a deep breath honey, an' watch how it's done. You might learn something. Come on now, give mommy a kiss, you big pansy.

How do I compete with that? (sniffs) Maybe I'll just have to console myself in... (sniff, sniff)

*I don't know why I thought it'd be a good idea to watch another guy fuck my wife. But now I'm having so many mixed emotions.*

*Oh, you're back. Why don't you take Mitsie out for a quick walk. We'll be done in another few pages.*

*Stop Marcelo. No closer. You can't ruin my buzz.  
I've waited such a long time and controlled my  
animal urges you, stifling little man. Now go!*

*He's like a gnat that won't go away.*

*It's been a long time since I've been fucked this good. I'd have to say it was at a frat party when I was so drunk and did most of the football team.*

*Now what?  
I didn't know that boobies  
could be fucked.*

Marcelo, get a good look. I got these titties done to turn you on. But that didn't help! Ohhhh, he's gonna cum on my titties! Something you wouldn't know about, you little pipsqueak.

Back the fuck up bro. I'm about to let loose on your wife's titties – and your fuckin' face, too.

And that – is how you cum!

You get sand kicked in your face – or jizzed to the face? Guys, don't let this be you.
